THEODORE SCHWEIN

Teaching the student to have a workable knowledge of his subject has been one of Mr. Schwein's creeds during his thirty-five years in the profession. The satisfaction of complimenting a student on a well-done, finished piece of construction, always has given Mr. Schwein the feeling that he has helped the student toward a more productive life.

As a sports enthusiast and an outdoorsman, Mr. Schwein is planning to spend his days of leisure on the shores of Lake Almanor.

Congratulations, Mr. Schwein, on your many faithful years, and may your future be one of well-earned pleasure.

Dedication

HELEN LOVERIDGE

Helping girls to understand their educational opportunities has been Miss Loveridge's interest in the Richmond School District for the past 37 years. She began her career as a physical education instructor at the old Longfellow Junior High in 1928, and when Harry Ells was established as a replacement for Longfellow, she moved to Ells as Dean of Girls. Her understanding, her patience, and her tireless efforts in working with both girls and parents have made many lasting friendships for her.

Miss Loveridge is looking forward to a future that will include leisure time to travel, to garden, and to spend time at her mountain retreat on the shores of Lake Tahoe.

The students, the faculty, and the administration will long remember this gracious lady.

THE EGO

It takes more than a quick glance at the past to visualize the sauve and swingin' Seniors of '65 on that cold and foggy day in September, 1962, when we straggled on to the Ells' campus as self-conscious, belligerent, and slightly arrogant sophomores. Just what impelled our class to travel so far from the wet-nosed insecurity at the start, to the self-reliant egotism of our final year?

The ego-building process began when we elected our Soph officers — Bendrew Jong, president; Dave Sartor, vice-president; and Sandy Ramey, secretary. Momentum built up as Soph cheerleader, Pat Roach, led us at the competition rallies where we broke tradition by actually winning a few. We joined clubs, worked-out with athletic

teams, and formed discussion groups in the interest of furthering our social positions. The New Year brought with it sore feet, compliments of that lo-ong Fifty-Mile-Hike. And then came the big triumph of the year, the Sophomore Assembly, which made history, or as some said, remade the "History of Entertainment in America." We "hit the books" for awhile, marking time until our first big class dance, the Soph Hop. "Fol de Rol" meant a re-creation of the streets of Paris with everything from "french cuisine" to kiosks. Anti-climatic was the only word to describe the rest of the year which ambled along until the last day of school and summer vacation.

OF '65

With the addition of drivers' licenses and the experience of summer jobs behind us, we put aside our many sophomoric ideas to take the next step towards forming the "EGO OF '65." The Jong Dynasty was well on its way; this time Richard Ricketts was second-incommand and Linda Bradshaw took notes. Janice Baddie led us in cheers, and we missed the spirit-of-old at games and rallies as a result of split-session complications. The end of foot-ball season found us proud of Cheryl Rodgers, Junior attendent to Karen Hoffman's Homecoming Court. The "Intellectualism" facet of the "EGO" was given an untimely boost by the senseless assassination of President Kennedy. Somehow this gave impetus to the need to join and work for a cause, a goal, and a future. Then it was cramming time as we beat the books for a couple of weeks trying to pull through those tough Junior Finals. We

bounced back during the semester switch to the "boss" sounds of the Beatles. Next came the skateboard-on-the-stage, seagull-feet-on-the-sky-light Junior Assembly . . . and what more can anyone say about a Junior Assembly?? March brought with it the unprecendented TOC! And, of course, junior year meant PSAT . . NMSQT . . STEP . . . Sweatshirt and Rummage Sales gave us the monetary means for the whimsical "Wonderland" of our Junior Prom. In Anticipation of our upcoming Senior year, we tried-out for Pom Pon and Cheerleader, and elected SA and class officers. Ben & Rich (what makes Benny run?) and Marilyn Schwartz were the not altogether unexpected choices for leading us in that final year . . .

There we were, eagerly awaiting our incomparable senior activities, convinced that together with our past successes and unsurpassed ingenuity we would realize our exceptional abilities.

The stage was dark, the ominous emptiness broken only by the faint chirping of distant crickets. Suddenly, an explosion, a wailing of sirens, a flaring of whistles, and a stampede of cops and robbers marked the beginning of an epic, an epic that saw a motley tribe of beatniks, surfers, chorus girls, jerkers, hoods, wives, husbands, and little old ladies take over the stage and give to Ells one of the finest performances in its history.

This was GANZA '65, the GANZA to end all Ganzas. Starting as an idea from the genius of Craig Solodyna, the GANZA grew in the hands of five dedicated kids: Schwartz, Schneider, "Soly", Jold, and Bong, who met twice a week during the summer to pave the way for the second and more trying stage of the Senior

Play — the actual production.

With the beginning of school, the '65 machine began instantly to cast the varied parts for the show. Sartor, Godfrey, and "Wulf" were chosen to fill the lead slots as the three wily, clever convicts, Boss, Ozzie, and Hubie. Sharing the spotlight were Greg Vose as the schizophrenic Sherlock Sellers and Mary Weisend as his lovesick secretary, Trixie. Along with these people, were added a cast and crew which eventually included 130 members.

So the little senior company worked. Then, finally, culminating the days of sweat, toil and tears were two nights of glory, which the members would exchange with

no one

The stage is dark again, yet the happy memories still remain. And as the last chords of "A Hard Day's Night" die and the script is filed away under lost manuscripts, we, the Class of '65, know that Ganzas will just never be the same.

No sooner was the GANZA over, than the Senior class, in a burst of philanthropy, sponsored the first annual POWDER PUFF FOOTBALL GAME.

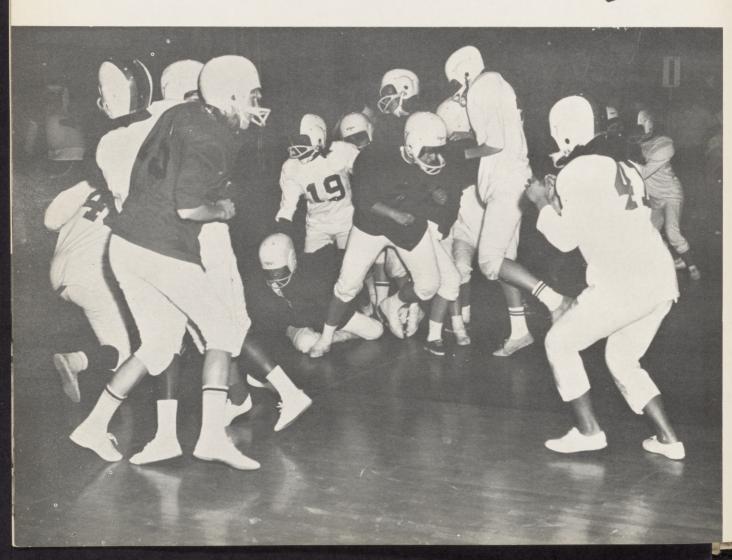

It was turnabout flag-foot-ball that night, with the girls battling it out on the gridiron, and the boys leading cheers and waving pom pons.

Nearly \$360 was raised for AFS that night, as the Senior "Pop-Tops" completely demolished the "Malignant Meatball" machine.

The Christmas holidays came and went, and attention switched from transcript and job worries to the rapidly approaching Senior Party.

"Always and Forever" transformed Oakland's Athen's Club into a Greek Parthenon—inspired, no doubt, by Senior English mythology units

ology units.

The formality of the Party was a switch from the casual atmosphere which usually dominated things, as seniors and their dates donned after-five apparel to further establish the "EGO."

And then Senioritis struck . . . a bit early and quite noticeably we drifted towards.

'65 is SUPERCALIFRAGI-LISTICEXPIALIDOCIOUS (too great a class for words). We descended upon Goodman's at Jack London Square on March 11, to eat. Merry was the word as soon-to-be-filched red and white carnations decked the hall and spread their gossamer beauty throughout the noble city of San Francisco.

We continued our somnolent journey through the halls of Ells, waking up barely in time to plan and enjoy the Senior Picnic at Adobe Creek. Then came a last stab at studying as we tried to fulfill our remaining Senior days.

Thoughts turned to dates for the Ball while our parents rushed frantically about planning for our All-Night Party at Golden Gate Lanes. All of a sudden it was JUNE 14! and the Eagle Ego graduated, leaving only memories.

FOOTBALL

Dear Students,

Although our record relative to games won and lost was not impressive this year, this team was one of the best I've ever coached.

There were only three boys returning from the 1963 team with any varsity experience, but it did not take long to realize that this team would be one that would give 100 per cent.

From the scores you can observe that we were close in every game but one. Our defense was as good as any in the league and our offense was hampered only by inexperience.

May I also thank our students who remained loyal rooters even though our club was losing.

Sincerely, Coach Schroder

This is the spirit that will carry us to better seasons in the future.

In closing may I state that it was a real pleasure to coach this team and may I wish them the greatest success in the future.

CROSS

Led by Julio Martinez and Dan Plummer, the varsity cross country team managed a third place finish in the City Meet and a seventh in the ACAL. The JV's equaled the varsity's seventh place ACAL finish, but slipped to fourth in the City.

First place finishes in both the City and League meets highlighted the up and coming sophomore harriers' season. With Byron Spradlin and Mike Harvey taking third and fourth place respectively in the City Meet and then returning a week later to grab second and fourth in the ACAL, the team emerged far ahead of the Soph field to snap up the championships.

SOPH CITY-CHAMPS: KNEELING, Left to Right: Byron Spradlin, Mike Harvey, Henry Aguirre. STANDING: Wayne Fisher, Al Stanley, Charles Weireck, Charles Whitcomb.

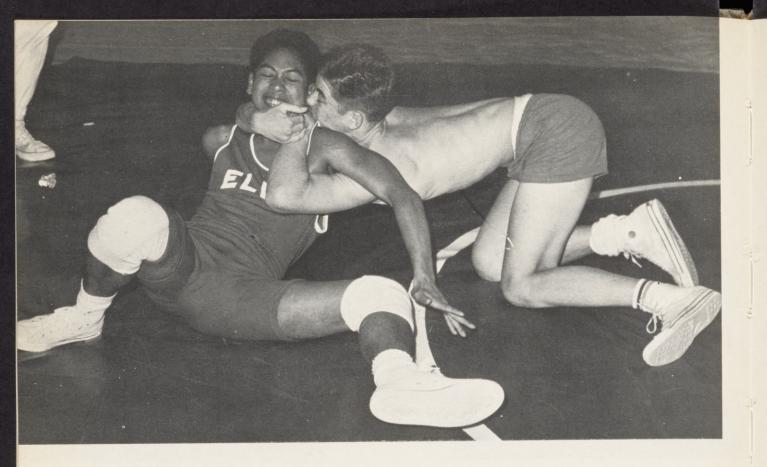

COUNTRY

The impressive showings of Spradlin and Harvey, not to mention added strength from Al Standley, Charles Whitcomb, Adrian West, and Tom Harrison, lead Cross Country Coach Stuart to believe that next year's varsity may be able to repeat the Soph's first place feats of the 1964 season.

BEES: BOTTOM ROW, Left to Right: Wayne Fisher, Terry Holt, Byron Spradlin, Mike Harvey, Charles Whitcomb, Henry Aguirre. TOP ROW: Tom Harrison, Adrian West, Leon Pendelton, Dave Williams, Al Stanley, Charles Weireck, Jose Jimnez.

WRESTLING

ROW 1 (Bottom Row), Left to Right: Philip Pendletone, Robert Salmeron, James Duran, Henry Aquirre, Ed Klopson, Dale Moscrop, Wes Jackson, James Lininger, Lloyd Jackson. ROW 2, Left to Right: Terry Holt, Jose Gerbacio, Cleophus Covey, Elmer J. Minnifield, Jim Detholoff, Robert Heller, Gerald Reed, Pete Sheehan, Vince Chandler, Edward Hill, Emerson Harvey. ROW 3, Left to Right: Mark Stevens, Vince Lucas, Dick Birkhimer, David Melin, Edward Smith, Larry Keeter, Lincoln Moses, Pat Doyle, Roland Teasley, Ken Emery. ROW 4 (Standing), Left to Right): Richard Hash, Wayne Steel, Al Silva, Leon Pennington, Randell Stamme, John Esola, Ken Horn, Rick Warren, Roland Smith, Stanley Rockwold.

Two firsts by Roland Teasley (145) and Rick Warren (heavy-weight) and a second by Leon Pennington (191) in the ACAL Wrestling Championships highlighted Ells' first wrestling season. Ells finished third in the ACAL and scored in the Northern California Wrestling Tournament.

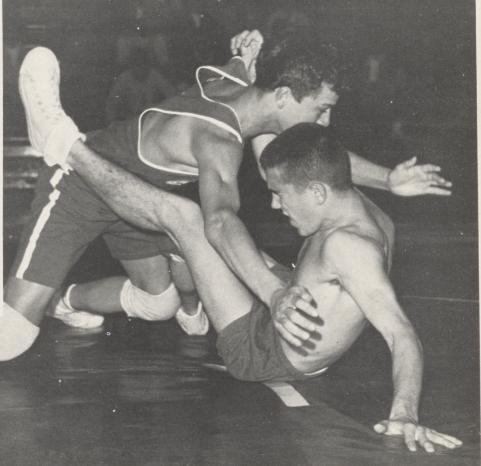

The wrestling squad consisted of thirteen weight divisions ranging from 95 pounds to the heavy-weight division of over 191 pounds. The first-stringers were chosen by elimination matches, unlike other sports in which the coaches decide who the varsity players are to be.

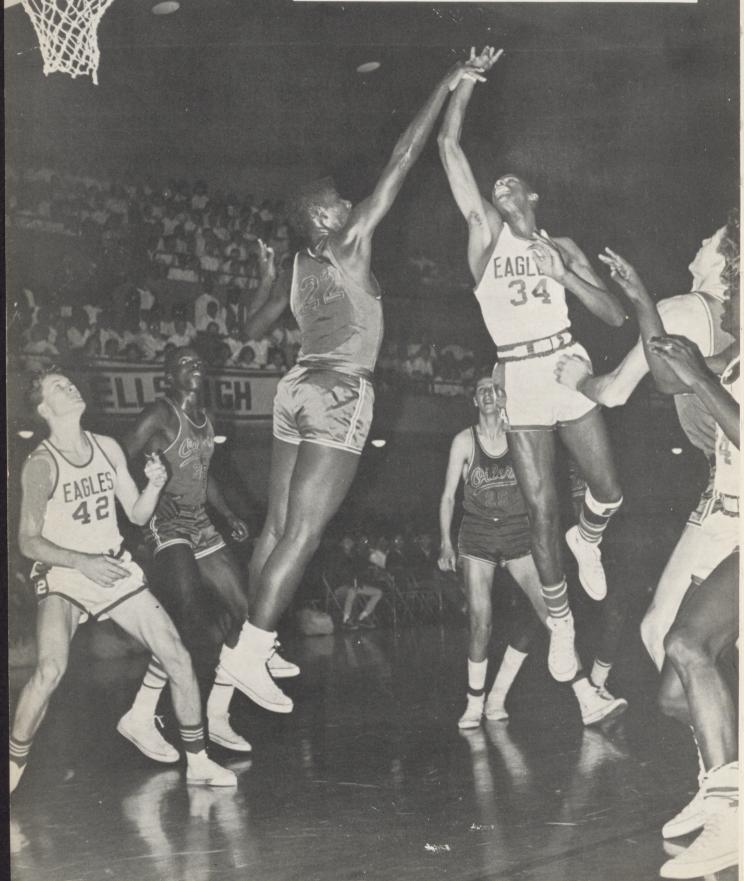

Coach Beals referees intrasquad practice match.

LEFT: Coach Beals, wrestling instructor. BELOW: Ells' Terry Holt gets the best of Richmond wrestler in 120 pound dual.

BASKETBALL

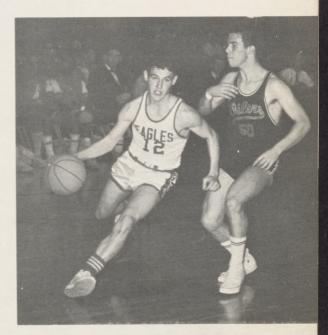

Louis skies over De Anza opponent.

KNEELING: Robert Redditt, Gary Lucas, Leonard Farr, Craig White. STANDING: Manager George McClendon, Frank Byias, Louis Wright, David Dayton, David Farr, Coach Ron Kamb.

COACH KAMB

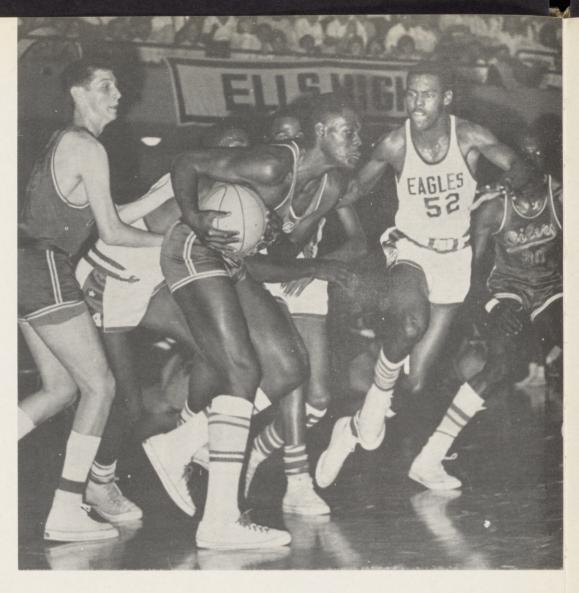

Gary Lucas drives by a helpless Oiler.

Forward David Farr led the team and the ACAL in scoring with 316 points, established a new school record of 42 points in a single game, received the **Independent** Player of the Week award, and was selected for the All-ACAL first team, All-City first team, and the All-Tourney teams at St. Elizabeth's and Gridley.

RIGHT: Louis Wright (52) rushes in to help a confused Oiler decide what to do with the ball.

Center Louis Wright, a consistent rebounder and scorer, was elected to the Star Elizabeth's All-Tourney team and to the All-ACAL and All-City second teams.

A complete departure of starting players from the 1964 ACAL and TOC championship team restricted Ells basketball hopes for 1965. But with drive, determination, and the coaching of Coach Ron Kamb, the Eagle cagers were able to overcome their inexperience to turn in another successful Ells basketball season.

another successful Ells basketball season.

Practice wins over Clayton Valley and St. Ignatius (who both went on to play in this year's TOC) and a one-point loss to Montgomery, began the season for the Ells cage team, led by such unknowns as David Farr, Louis Wright, Frank Byias, Dave Dayton, Leonard Farr, and Gary Lucas. Then came the St. Elizabeth Invitational Tournament. The team earned a finals berth by beating Lowell and St. Elizabeth in the preliminaries, but dropped the decisive contest 51-46 to 1965 TOC winner Fremont. Along with the second place trophy, Ells walked off with the rooting section award and placed two Eagles, Louis Wright and David Farr, on the All-Tourney team.

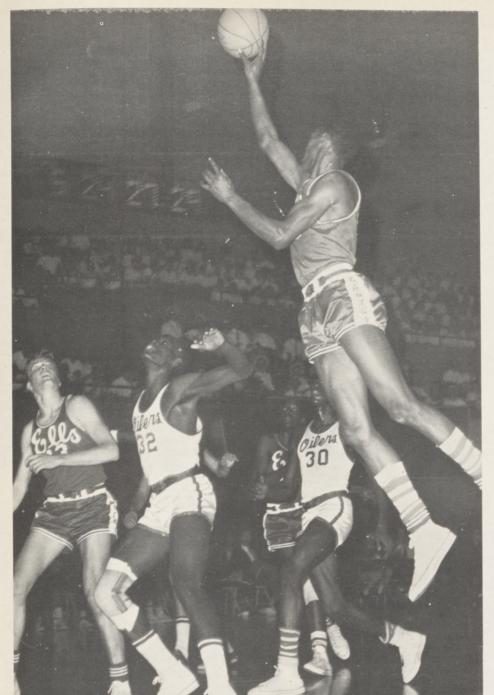

Wright and David Farr, on the All-Tourney team.

League play started with an 80-57 rout of Encinal. A 56-53 loss to Richmond dampened team spirit, but not for long as the "birds" went on to win the remainder of their first half games, tying Richmond for the league lead. The second half was a duplicate of the first except for a loss to Berkeley, and the end of the season found an "inexperienced" Eagle quintet second only to Richmond in the ACAL.

Post-season action saw our Eagles bounce back from a disheartening first game defeat to bring home the Consolation trophy from the Gridley Invitational Tournament. The selection of ACAL Scoring Leader David Farr for the Gridley All-Star team and the nomination of Louis Wright and the Farrs to All-City and All-ACAL teams, capped the season for the Ells team which became good enough to receive honorable mention in the State.

Guard Leonard Farr set a new Ells rebounding record when he collected 24 rebounds in a single game. He was also an Independent Player of the Week, an East Bay Writers' Prep of the Week, eighth in ACAL scoring, and a member of the All-ACAL and All-City second teams.

J.V.'s AND BEES

Although the varsity team receives all the attendance, glory, and recognition, the J.V. and B programs are essential for the development of future players. Under the capable coaching of Clark Wilde and Larry Tognolini, juniors and sophomores have been trained for next year's varsity team. This experience is a necessity if next year's team is to have a victorious season. In spite of the individual team records during the 1964-65 season, the underclassmen are geared to go all the way in the 1965-66 season.

AND FIELD

Rain hampered Eagle track practice sessions and meets alike this spring, but in spite of frequent showers, Ells' trackmen did not fare too badly during the season. The team took a third in the Ram Relays at Pleasant Hill and won numerous dual meets.

The relay team and high jump squad usually led the Eagle tracksters. Louis Wright set a new high jump record of 6'3'' early in the season. Later the $1\frac{1}{2}$ mile relay team, composed of Larry Roberson, Julio Martinez, Rick Bonds, and Tom Bordon, ran a record-breaking 5:59.6 in the El Cerrito Relays. Robert Redditt became the second longest broad jumper in Ells' history with a jump of $23'10\frac{1}{4}''$ at the same meet.

Coach Stuart has high hopes for next year's track team, as there is a majority of varsity lettermen returning and some good "B" prospects.

SWIMMING

According to Swim Coach Randolph, 1965's swim team had a very satisfactory season. The Eagle mermen finished second in the City Meet and would have taken first place honors but for rule infractions resulting in two disqualifications. Wins over Richmond, DeAnza, El Cerrito, Albany, Washington, and Oakland Tech and defeats at the hands of Pacific and Encinal, gave the varsity a 6-2 duel meet record.

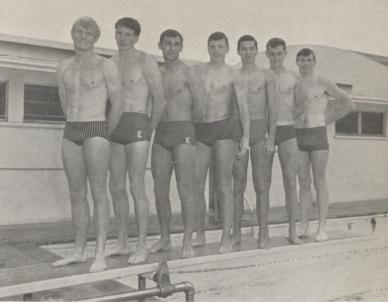

The highest scoring varsity swimmers were Rick Bold — swimming the freestyle sprints; Joel Peterson — in the 200 and 400 freestyle; Rich Ricketts — our fly swimmer; Kent Calfee — swimming the freestyle sprints and distance races; Carl Guggolz — our breaststroker; and Tim Roark — the backstroke and individual medley. Backing them up were Gary Hobbs, Steve Yoder, and Steve Hinds in the freestyle events, and also Greg Gordon, Tom Schact, and Steve Poohar.

Leon Pendleton, Roger Sheppard and Ken Cunha are a few of the promising Sophomore swimmers.

GOLF

Golf has been a rather neglected sport at Ells for quite a few years. 1965, however, saw more players turn out for the team than ever before. Coached by Clark Wilde and Robert Nelson, this year's team participated in ACAL and invitational tournament play. No golf instruction is provided by the boys' P.E. Department; all Ells' golfers receive their preliminary instruction on their own.

A young, inexperienced Ells baseball nine has shown surprising strength against more experienced opponents this year. Pre-season critics predicted that the team would be lucky to beat anyone, but with little more than half of the season gone the Eagle baseballers had defeated such teams as DeAnza, El Cerrito, Berkeley, and Alameda and knocked league-leading Richmond High out of contention for the first half championship with a thrilling 4-2 victory.

4-2 victory.
The loss of four outstanding senior outfielders — Dan Plummer, Ed Rice, James Williams, and Ralph Simoni — and senior shortstop Nick D'Alessio will be a blow to next year's team, but with the talents of Gene Clines, Tom Maxey, Fred Turner, and some fine junior varsity prospects Coach Tognolini is hoping for another successful season in '66.

POM-PON GIRLS

In May of 1964, after two weeks of tryouts, the Pom Pon girls for 1965 were chosen. It didn't take long for the girls to realize that along with the pride, joy, and prestige of being a Pom Pon girl, there was a lot of work necessary to maintain the great name that their predecessors had established.

During the summer Paula, Wanda, and Pam went to Squaw Valley's annual Pom-Pon Camp to compete against girls from California, Nevada, Washington, Oregon and Utah. The girls' efforts brought a third place trophy to Ells' Trophy Case. On September 19, 1964, Ells' PomPoners attended a nine school clinic at Clayton Valley High and danced off with the first place award.

A CAPPELLA CHOIR

The highlight of the Fall semester for the A Cappella Choir was a Christmas performance on KGO-TV, Channel 7, in San Francisco. Other performances during the Christmas season included the annual Christmas Concert, the Christmas Assemblies, and appearances before various service clubs in Richmond. Activities during the Spring semester reached a high point in the first Choral Festival by the combined high school choirs of the Richmond Schools. Mr. Robert Commanday, music critic of the San Francisco Chronicle and famous conductor, dire ted the 250 voice choir in an inspired performance. The Choir also sang in the annual Spring Concert and for the West Contra Costa Civic Music Association. The Choir gave its last performance at graduation. Selected members of the A Cappella Choir participated in the All-Conference Chorus in Long Beach during Easter vacation.

MADRIGAL SINGERS

The Madrigal Singers, composed of nine members of the A Cappella Choir, sang for the West Contra Costa Civic Music Association, the PTA, the Kiwanis Club, the C.S.F. banquet, the Spring Concert, and, to top off a great year, received a Superior rating and a Command Performance at the annual Solo and Ensemble Music Festival in Vallejo.

BAND

The Harry Ells Eagle Band flew with full color in 1964-65. The year started with football games every Friday. Many long hours were spent preparing each show for performance at halftimes.

When football season was over, the Eagle band devoted rehearsal time to concert music. Among the concert performances were the Solo and Ensemble Festival and the annual Spring Festival.

Something new was added to the band this year. A band council, consisting of several top band students, was formed to act as a policy-making body for the band. Among other accomplishments was the establishment of a merit system enabling members of good standing to receive awards at the end of each year.

Band Officers this year were Linda Lazzaretti, president; Linda Conley, secretary, and Walter Hand, drum

major.

MAJORETTES

This year the band was spirited by six twirling majorettes: two seniors, Dora and Cheryl; two juniors, Jean and Jo Ann (head); and two sophomores, Virginia and Karen. The girls performed at all football games, helping to cheer the players on to victory. Their bright uniforms, expert twirling, and high-stepping drill work added another dash of color and excitment to an already. added another dash of color and excitment to an already colorful and exciting football season.

CALIFORNIA SCHOLARSHIP FEDERATION

The Spring '65 semester of CSF boasted the largest membership in Ells' history. Ninety Seniors, Juniors, and Sophomores managed to fulfill the Ten Point Grade Average to gain admission to the school's most selective group.

Two rousing Initiation Banquets set the tone of each semester's activities. Large glittering letters C...S...F... highlighted the Fall festivities, and St. Patrick's Day greenery glowed all around the Cafeteria during the March 18th Spring dinner.

The Autumn semester's excuse for a day of fun was a visit to Palo Alto's renowned Stanford University. After a great deal of hard work (and much use of hard-sell tactics) during the annual Candy Sale, all thoughts turned to that golden vision, the CSF Picnic. All in all, CSF had a very satisfactory 1965.

BUSINESS CLUB

The Business Club gives students the opportunity to become proficient in many areas. They gain leadership experience in handling class meetings. They handle arrangements for dinner meetings at which a business woman or man speaks. They collect dues and raise money for their Club. They acquire the ability to work and plan together for such worth-while projects as the Easter project to help children at the local hospital.

FUTURE TEACHERS CLUB

The Future Teachers Club of Harry Ells is small but active. Under the leadership of a very dedicated sponsor, Mrs. Silverthorn (better known as Miss Fox), the club enjoys a variety of pursuits.

The club performs educational, social, and service activities. Trips to colleges widen the member's knowledge of the function of such facilities. Future Teachers also enjoys social activities. The members, as future teachers, must learn to get along with others. Tutoring students free of charge is this year's service project.

Officers are Barbara Quein, president; and Linda Denny, secretary.

FIELD SERVICE

To create a deeper understanding and friendship between the people of different countries and the United States is the aim of the American Field Service (AFS).

Something new was tried this year in the way of money-raising projects. The Class of '65 sponsored the first annual POWDER PUFF FOOTBALL GAME and total receipts of \$353.70 were donated to Ells' AFS chapter. These funds are to go towards the expense and possibility of having an exchange student at Ells again next year. The annual CSF-AFS Candy Sale, held in April, was expected to raise the rest of the money needed to reach the total of over \$700.

Sonia Gaiane was Petaluma High's lovely swap during the annual AFS Exchange Week, held February 8-12. Sonia, who hails from Brazil, stayed at the home of Ells' senior, Kathryn Stusiak. In the picture above, Sonia is shown speaking to the Ells' student body at the Junior Assembly.

The AFS also encompasses an Americans Abroad program. Each fall, qualified junior students vie for the chance to go overseas. Kent Calfee

(left) and Douglas Aanestad were chosen to send their applications back East to the New York AFS screening office. As the **Argus** went to press, an excited Kent Calfee was informed that he was to spend an educational summer in the Philippines.

HANDS ACROSS THE SEA

"Last year I applied to have the exchange student live with our family. We were interviewed by the home placement group from the AFS. Months later, after much anxiety and anticipation, Richard finally arrived in the Bay Area.

When Richard came we were quite eager to begin showing him our beautiful America, but he was very tired because of his long trip from Switzerland.

One of the more outstanding trips of the year that I think Richard enjoyed was the one to Disneyland and the Rose Parade in Pasadena.

Richard has taught us many things about his country, and of course, he has learned many new facts and ways of America and the American people. This year has been a memorable one . . . we will all be sorry to see him go back home."

Harry Critchfield, junior host

Dear Students,

"If you told a 17-year-old boy, who had never left the boundaries of his own little country that he would leave his home-town to go 10,000 miles away to a new country in a new world, he would look, stare, and not knowing what to say, would not believe it.

That was the way with me when the enjoyable shock of the AFS acceptance letter came. I was very happy and excited. My thoughts turned to the great responsibility I was taking on. I knew there would be problems and that it wouldn't be very easy . . . the first time away from home.

I set off on that long trip to that big country, I tried not to imagine, not to expect too much, for I wanted to be surprised at everything new . . . I wasn't disappointed!

Finally arriving in Richmond, I felt at home right away with my new family. At first I was kind of shy, I didn't talk too much, I couldn't. Despite language troubles, I soon felt at home everywhere. Everyone was so cordial, when I needed help I always found someone. This kindness of Americans, this quickly making friends, is one of the things that has impressed me.

Since I've been here, I've seen and experienced very much. I have changed a bit, I have begun to think differently; I see a lot of things from a different point of view.

I loved it here in America very much. This year was my very best and most beautiful. That I liked so much is due to a very large part on you, you students from Harry Ells, through the friendship I've had with you. I'd like to say thank you, thank you for the friendship and everything good you've done for me."

Always,

Your exchange student, Richard Aschwanden

FORENSICS

CLUB MEMBERS, ROW 1: Daniel Duran, Fern Schneider, Gregory Vose, Nancy Eldredge, and Kathy Hayhurst. ROW 2: Wayne Chinn, Artie Climons, Bill McGinnis, David Dayton, and Karen Noma. ROW 3: Larry Keeter, Jim Hamilton, Mike Ferrel, Tom Brown, Dale Mardiros, and Ricky Smith. ROW 4: John Huddleston, Norman Lundberg, Steve Poohar, Maria Dalagan, Edith Strashun, and Judy Lopez. ROW 5: Tariq Kadri, Larry Barush, Pat McKinley, Susan Hunn, W. T. Thomas, and Joyce Cleland. ROW 6: Judy Sartor, Judy Forbes, Gary Encinas, and Mike Simmons.

The most popular and outspoken club in school, Forensics, enjoyed an unprecedented and successful year. 1964-65 saw 75 Eagle orators join and compete in Forensic activities.

Ells can well be proud, as the squad brought home numerous trophies and awards for debating and speaking achievements, including top honors at Lions' Club, American Legion, and Native Sons of the Golden West speech competition.

Four students managed to qualify for the state tournament at Santa Barbara: Tom Brown, Daniel Duran, Elaine Featherstone and Carol Hearne. We became enviable as one of our competitors placed third in the state, the first local student ever to reach the state finals!

Besides the competition, which was frequent and difficult, Forensic members had a picnic at the Rod 'N Gun Club in April.

ROW 1: Karen Zizmor, Norm Wulferdinger, Carol Hearne, Mary Weisend, Becky Hipolito, and Cheryl Rodgers. ROW 2: Dave Penasso, Rick Bold, Dave Sartor, and Carol Safir. ROW 3: Kathy Selleck, Tina Jelcich, Bill Bornheim, Joann Goyne, and Rob Magovern. ROW 4: Lana Somsen, Greg Mckeag, Bob Heller, Rich Garibaldi, and Elaine Featherstone. ROW 5: Janice Pearson, Laura Woodward. and Shirley Daeshner. ROW 6: Tim Gomez and Ben Jong.

Perched on ladder is Forensic Club President, Daniel Duran. In varying positions (left to right) are Karen Noma, secretary; Fern Schneider, social chairman; Tom Brown, student debate coach; and Elaine Featherstone, student interpretation coach.

SPOTLIGHT

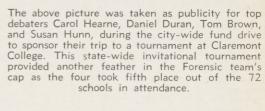

Joyce Cleland won the local Lion's Club competition with her speech on Maturity — It's Responsibilities and Privileges. With Joyce are Tom Brown and Mike Ferrel, who also entered the contest.

Elaine Featherstone, pictured here with Forensic coach David Dansky and Vice-Principal Mr. France, is receiving the trophy for winning the district "Native Sons of the Golden West" speaking contest. This trophy was only one of Elaine's triumphs this year. An outstanding speaker, she triple-qualified for the state tournament at Santa Barbara and managed to become the only student from the Richmond district to make the finals there. Not satisfied, Elaine came out 3rd in California in oratorical interpretation.

SUCCESS

Forensic team high-point members for the year were (left to right) Daniel Duran, second; Fern Schneider, fourth; Carol Hearne, third; and Tom Brown, first.

HOSTESS COMMITTEE

The duties of the Hostess Committee are many and varied. Throughout the year these girls ushered at such school functions as the Spring concert and the music performances. Escorting special guests and helping visitors to Harry Ells feel welcome were among their other duties.

ROW 1, Left to Right: David Climons, Aaron Cannady, Tom Byrnes, Dan Plummer, Tom Maxey, Eddie Rice, Greg Hill, Rick Bold, David Farr. Each year the Drama Club puts on the Spring Play. 1965's selection was James Fuller's "Rebel Without A Cause". Weeks of practice under the able direction of Mr. Keys, faculty adviser, and Greg Vose, student director, ended in March 25 and 26 presentations by the 28-student cast. Afterwards was the cast party — traditional end to every Ells dramatic performance.

Leaders '65

Leaders are Senior girls specially trained in athletic techniques and skills who serve as physical education aides in their P.E. classes. Potential Leaders are recommended as sophomores for an exclusive junior year training class in which they learn how to take charge of classes, instruct basic skills, and officiate games. Those who qualify become official Leaders and are permitted to wear the Leaders' whites and emblem.

Modern Dance is a form of art expression through the use of the human body. In Miss Paff's fifth period Modern Dance class students learn to express their feelings, emotions, and ideas through body coordination and movements. Individuality and freedom of expression are expressed in Modern Dance, for there are no established patterns or steps. Usually the girls are not limited by imitation of another's steps and style and learn to create as they exercise.

GYMNASTICS

Gymnastics is by far the most popular GRA event. This year the Ells gymnasts were able to participate in inter-school competition. Daily practice, despite lack of sufficient space and apparatus, and supervised attendance at gymnastic meets at other high schools and colleges, paid off for the girls who fared well in district and state competition.

Juniors Betty Vallerga, Chris McGrath, and Chris Gianfortone try out Ells' new gymnastic equipment — the uneven parallel bars.

BOWLING

Bowling is the only co-educational activity of GRA. Teams are organized in the fall and continue to compete for trophies until late April. Games are played at the Uptown Bowl once every school week and are always supervised by the P.E. Department. The Ells Bowling League is affiliated with the American Bowling Congress.

BASKETBALL TEAM: STANDING, Left to Right: Carol Simon, Jo Mackey, Theresa Bedford, Debbie Osborn, Linda Piper. KNEELING: Wanda Teasley, Judy Carpenter, Linda Gardner, Carolyn Dunn, Irma Calvin.

BASKETBALL

Girls' basketball is a little different than the boys' game. Girls are allowed only three dribbles, cannot hold the ball indefinitely, and must have two players from each team in the back court at all times. Ball control and defense are stressed. Scores are low but enthusiasm always runs high.

TENNIS

TENNIS TEAM: KNEELING, Left to Right: Mary Boers, Donna Caron, June Cameren, Marie Bell. STANDING: Susan Cherniak and Janie Tabata.

Due to the unavailability of courts in the spring, GRA tennis is a fall sport. This nullifys any inter-school competition so the Eaglette netters play round-robin singles and doubles tournaments, the winners names being annually posted for all to see on B.J.'s bulletin board.

American field hockey is exclusively a girls' sport. Players use clubs ranging from 35" to 37" in length to bat a small, hard, and wooden ball around a playing field the size of a football field. Shin guards are the only protective padding worn by the participants, excluding the goal keeper. Ells' hockey elevens this year played in two sportsdays on the Ells and DeAnza fields. The highlight of the season came when Linda Piper filled in at goalie for the Northern California Hockey Team during a demonstration game.
